PA STATE ALTRUISTIC PROJECT FOR THIS BIENNIUM WILL BE THE PENNSYLVANIA WOUNDED WARRIORS, INC.(PAWW)

The late Major General Gerald Sajer and his wife, Helen, founded Pennsylvania Wounded Warriors Inc. in 2006 to support and assist Wounded Warriors and their families as the soldiers returned from deployments to Afghanistan and Iraq.

They started out by visiting wounded soldiers and their families in Washington D.C., then invited them for a relaxing weekend at their farm in Adams County. As the word spread, PAWW began to work with the Lebanon VA Hospital to address other veteran needs.

Nineteen years later PAWW has grown tremendously thanks to the generous support of Pennsylvanians and in our statewide capability to assist Wounded Warriors, Veterans in Crisis and their families.

PAWW is an independent non-profit 501©3 organization. It is not affiliated with nor a part of any national organization, including Wounded Warrior Project, and do not receive any funds from them. It is not affiliated with any other veterans' support organization, nor are any funds received from them.

Their unpaid volunteer staff consists of an elected Board of Directors who meet monthly and provide general direction to the organization. They have a growing number of unpaid volunteers who support the organization in a variety of ways.

For every \$1.00 donated, \$0.96 assists a veteran and family in need.

Happy Autumn, PA ADK Sisters!

As we "Evolve Together," (Our new International Theme), please take moments of reflection for yourself as you work through the many changes and transitions you are experiencing!

"Turning"

The trees let go with quiet grace,
Each leaf a story, soft, erased.
In ochre flame and crimson sigh,
The world begins its long goodbye.
But endings here are not decay—
They mark the start of some new way.
A hush that holds the seeds of spring
Hides underneath each withering thing.
The wind has learned to dance with loss,
To find the gain behind the cost.
And we, like trees, must shed to grow,
Release what no more serves the soul.
Change wears the amber robe of fall—
A season's truth: we can't keep all.
Yet in that drift of gold and rust,
We find a place to plant our trust.
So let the old things drop, unwind.
The self remakes. The roots realign.
For even as the daylight thins,
A deeper, braver life begins.

PA Chapters Needs Assessment Reflections have been completed by PA-VP Sally Hanzlik and Leslie Djang. Conversations were held this fall with each chapter. Some chapters have already met goals. After "checking-in", chapters tweaked or refocused some goals for next year. Many chapters can celebrate what they have done so far.

A common theme conveyed was the pleasure in participation in many altruistic projects. Several chapters are exploring different leadership styles by sharing responsibilities. Certain chapters are proud to have initiated new members. However, all voiced the challenges of membership. How to recruit new members? What is successful? *Need a list of ideas?*

PA KEYSTONE BRIDGE MINI-GAME

As of November 1, these chapters have reported:

Alpha=1 bridge+27 stones; Gamma 1 bridge+16 stones;
Delta 1 bridge; Eta= 1 bridge; Mu=1 bridge +30 stones; Omicron= 1
bridge + 75 stones; Pi=1 bridge; Rho= 1 bridge +57 stones

Chapters have recognized the value of growth in playing the mini-game. *Hats off!* to chapters who are now committed to a growth mindset on a particular challenge within the game. This forward-thinking approach is commendable and truly in the spirit of long-term development. **Bravo!"**
